

Light Local Vote As Incumbents Are Favored Here

Loehr, Johnson, Engle All
Get Big Vote Here
On Tuesday

As predicted, the vote in the four local precincts was light, approximately 60 per cent of the local registration, and the results followed closely those in other parts of the state in the national balloting and favored incumbent district officers.

The total vote cast was 327. The republicans gave Eisenhower 113 votes while the democrats gave Stevenson 112 and Kefauver 47.

In the race for the U. S. Senate, incumbent Thomas Kuchel overwhelmed his opponents locally, the count being Kuchel, 153; Richards 55 and Yorty 48.

For congress, Clair Engle was a big favorite easily winning over Nagel by a score of 254 to 40, while Assemblyman Lindsay defeated his

There were 413 votes cast in the fifth supervisorial district at Tuesday's election with 46 voided, leaving a total of 367 valid.

Of this total, Supervisor H. G. Loehr, although unopposed for reelection, polled a complimentary vote of 336. Clarence Osburn, who declined to be a candidate, was given 26 votes while James McIver, who also refused to run, received four. Charles Osburn had one, Mrs. Helen McCarty one.

opponent, Lunardi by a vote of 194 to 107.

Senator Harold T. Johnson, unopposed in the primary, polled a complimentary vote of 268.

Supervisor H. G. Loehr, also unopposed for reelection, was given a vote of 259. In this contest, Clarence Osburn received 20 written votes with James McIver getting four.

For county republican central committee, Harold Welch received 109 votes and B. W. Reynolds 82. They were unopposed for the two local seats on the committee.

Floriston Tally

At Floriston 33 votes were cast and Eisenhower received 10, Stevenson 10 and Kefauver 10, just to make things even. Kuchel led with 10, Richards 9 and Yorty 8, while Engle had 23 to 6 over Nagel. Senator Johnson received 28 votes while Lindsay tied with Lunardi with 14 each. Loehr also received 28 complimentary votes and Welch had 10 and Reynolds 8.

Soda Springs

Soda Springs voters cast 42 ballots, 17 going to Eisenhower, 9 to Stevenson and Kefauver 13. Kuchel had 22, Richards 9 and Yorty 5, while Engle polled 31 to Nagel's 7. Senator Johnson received 32 votes and Loehr 38. Lindsay topped Lunardi 20 to 17. Welch received 16 votes and Reynolds 9.

JOINT MEETING OF ROTARY CLUBS HELD

The regular meeting of the Truckee Rotary Club on May 28th was a joint meeting with the neighboring cities of Grass Valley and Nevada City and was held at the Donner Lake Lodge. As the host city was Grass Valley, President Stan Hall presided.

The program was presented by Ed Frantz who was the master of ceremonies for the evening. He introduced John Noy, from Marysville, and entertained the group with various tricks of magic.

The weekly meeting on June 5th was an informal meeting covering business of the Rotary Club. President Rex Thomas presided.

Students Present Piano Recital At Local Home

Mrs. William Englehart, Jr., gave a piano recital in her home, introducing four of her pupils who were heard in a number of pleasing solos and duets by 30 relatives and friends. The children who performed for the first time included Kellie Ellis, Karen Hedlund, Marcia Leamon and Karen Smart. The affair was held Friday evening.

Later in the evening Mrs. William Englehart and the hostess played several enjoyable duet numbers. Cake with coffee and punch were served at the close of the affair.

WILMER TONG WILL WED IN LOS ANGELES

Local friends of Wilmer Tong, for many years a resident of Truckee and now living at Oakland, will be pleased to learn of his engagement to Miss Margaret Berry of Los Angeles, a frequent local visitor.

The ceremony will take place in Los Angeles on July 29th and the couple will make their home there where Tong will be employed in an aircraft factory.

Tong visited here during the weekend.

Mrs. Jody Maher arrived at Meeks Bay this week, coming from Palm Springs for the season.

Tahoe Divers Are Fined For Fishing Near River Dam

Skin diving at Lake Tahoe may never become very popular if the example set by two young Reno men is a criterion.

Dale C. Jensen, 18, and his companion, Ronald G. Gardner, 19, were arrested at 1:30 a.m. Sunday for night fishing, fishing with a spear, not having fishing licenses, and fishing too close to a dam after they were discovered in the Truckee river near the Tahoe dam fishing under water. Each was fined \$125 when they appeared before Judge Harry Charrison and Jensen paid an additional \$50 for carrying a concealed weapon—a .38 calibre revolver.

The two were equipped with a complete outfit for skin diving, including rubber, insulated suits, fins, goggles and all the accessories used in sea diving, even two oxygen tanks were strapped on their backs.

Deputies Harry Johanson and Fred Rabaska with Game Warden Erv Single made the arrests.

This is the first time, so far as records show, that fishermen have gone after trout in such a manner, although the practice is fairly common along the coasts.

Mill Starts Work In East Truckee

The smoke which dimmed the atmosphere in Truckee Wednesday morning sent fire-minded residents on a tour of investigation only to find that the three sources were innocent blazes.

The principal source was the burning of debris left after the ancient buildings which housed the Bargain Spot until it moved into a new location across the street. The old planking and scraps were burned to clear the ground for erection there of the Southern Pacific Hotel being moved to that location.

The second cause of the smoke screen was the opening of the Burney Lumber Company's mill near the old S. P. roundhouse. Work was started there this week and operation of the plant is expected to be in full swing in the near future.

Still a third cause was a crew of roof repairmen working in the rear of the Truckee Hotel.

Truckee Man Recovers Stolen Auto At Reno

Rex Keenan of Truckee, Calif., yesterday recovered his stolen automobile, which was found abandoned in Reno April 13.

Police impounded the car when they found it had been parked at a Commercial Row parking meter for four days.

SCHOOL BOARD MEET IS SET FOR JUNE 19TH

The regular meeting of the governing board of the Tahoe-Truckee Unified School District scheduled for June 12, has been postponed to June 19, at 8:30 p.m., in order that all records may be ready for presentation to the board. It is felt that if the meeting is postponed one week it will not be necessary to hold a second meeting in June which has been necessary in the past.

CRYSTAL BAY CLUB TO HOLD PARTY FRI.

The official grand opening of Crystal Bay Club at Crystal Bay, Lake Tahoe, will be held Friday, June 8th and the hosts have gone to considerable expense and work to make the affair a success. The visitors will have an opportunity to see the elaborate improvements that have been made and partake of the fun in store for the guests.

Fruit Trees Bloom Here As Summer Arrives

One indication that spring has arrived in Truckee is in evidence in the profuse blossoms of the pear and apple trees in the garden of Mrs. James Thomas. The apple trees yielded enough fruit to can 36 quarts of sauce last year and the owner is hoping to top that result in the current season.

Emerald Bay Halts Plan To Operate Lake P. O. Route

Road Condition Is Blamed
For Cancellation Of
Service

Cancellation of plans to inaugurate a summer highway post office service from Truckee to serve all of Lake Tahoe was announced this week by Postmaster E. C. Bavier of Truckee following receipt of a letter from John E. Painted, regional transportation manager at San Francisco.

The reason given was the fact that the Emerald Bay road is still closed and no definite announcement can be made as to when it can be repaired.

The service was to have been started on June 15th and would have continued into September. For the same reason the star route to Camp Richardson from Truckee has also been cancelled.

It was planned, in connection with the proposed highway post office service, to establish star route services for the winter months, also operating to and from Truckee. Both proposed services would have made all train connections here.

"Because of the road conditions in the Emerald Bay area and our inability to obtain definite information as to when the highway will be opened for travel, it becomes apparent that it will be impossible to establish the new service this summer," the announcement said.

"It is our hope that objectionable conditions and problems encountered in our attempts to establish the highway post office service this year will be overcome and eliminated, and that we will be able to inaugurate this very desirable improvement in mail service at the beginning of the summer season next year," the letter ended.

New Real Estate Plan Is Under Local Study

A proposed real estate development, details of which are still being studied, is ready to start in this immediate locality within the next few days, offering exceptional opportunities for prospective home builders, and particularly for veterans, according to an announcement by C. Edmunds, manager of the Truckee Public Utility District.

While details are not being revealed at this time, veterans and others interested in obtaining information of an opportunity to obtain a home are being urged to contact Lee Apple, manager of the Bank of America here, within the next few days. Apple will provide the required information.

CUB SCOUTS HOLD LAST SEASON MEET

Cub Scout Pack No. 7 held its last for the season pack meeting at the Truckee Elementary School Tuesday Evening, May 29th.

Jack Arterburn was awarded a silver arrow, Mike Ingalls and Skip Peterson, gold arrows in the wolf rank. Wayne Arterburn was awarded the Bear Badge and Dick Ingalls and Ed King were awarded gold arrows; Steve Davis and Ed Hamilton silver arrows in the Bear Rank. Joe Parkhurst was awarded 3 silver arrows in Lion Rank.

Joe Parkhurst and Gene McGihon were awarded the Webelos badge, which is the highest award in Cub Scouting.

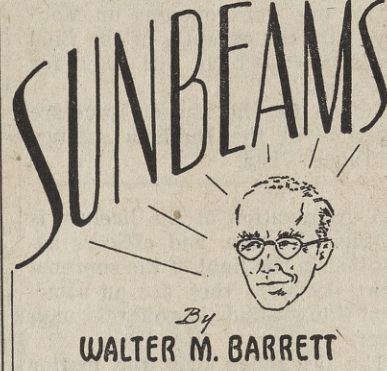

Weekly baseball games have been planned for the summer. A camping trip has been planned for August, if enough fathers can go along.

YOUTH INJURED

Robert Arthur Ballew, 19, of Carmichael suffered severe head injuries at 5 p. m. Wednesday as his motorcycle got out of control near Hampshire Rocks and was wrecked. State Patrolman Roy Stallard said it was apparent the vehicle was traveling at a high rate of speed. The victim was taken to Tahoe Forest Hospital.

WRIGHT LOSES

Donald G. Patton defeated a vote of 291 to 335 to win a seat on the Sierra County Board of Supervisors from the fourth district.

WALTER M. BARRETT

Although there is reported to be some remote opposition to the re-routing of U.S. Highway 40 through Truckee and down the Truckee river canyon, it can be sincerely hoped that this opposition will be dissolved by the time the state highway commission meets later this month to formally adopt the route chosen as the best from all angles and for all interests. The selection was made after years of concerted effort by the division of highways and federal engineers and was marked as the only logical possible. All that opposition can possibly accomplish now would be a delay, and at this time any delay might prove fatal for the 1960 Winter Olympics and the planned development of the region. We have confidence that the commission will adopt the route as designated and can only hope that opponents to the route will accept the wishes of the state, counties, communities and all others interested and cooperate by refraining from any attempt to sabotage or hamper the project.

This week it is our pleasure to offer our sincere congratulations to the graduating students at the Tahoe Truckee High School. Having completed the first step in their education, we wish them every success in their future achievements.

Tamblyn Resigns County Post; Will Be Tahoe Resident

William Tamblyn, Nevada County assessor since 1951, has resigned that office and is associated with his sister Mrs. V. C. Shattuck in the operation of the Tahoe Theater at Kings Beach.

There is considerable speculation as to who the board of supervisors will appoint to fill the unexpired term which ends in January 1958.

This week the new theater manager is moving his family to Kings Beach where they have obtained a home on the upper section of the gold course and where they will reside this summer. They plan to return to Nevada City this fall where he has a number of opportunities. The theater closes late in the fall.

Tamblyn, a native and life-long resident of the western end of Nevada County, is popular throughout the region and his success in the theater business is assured. He and his family will be welcomed into the community life of this region. Fraternally, Tamblyn is currently master of the Nevada Lodge, F. & A. Masons and is past exalted ruler of the Nevada City Elks Lodge.

"TRIAL RUN" DAY IS HELD AT SCHOOL

"Trial Run Day" was held Tuesday at the Tahoe Truckee High School to give students and parents an opportunity to acquaint themselves with the procedure which will be followed in September when school resumes for the 1956-57 term.

Fifty-five sixth graders were on hand from the elementary schools and although all parents of these children were invited, three, Mrs. T. F. Sheehan, Mrs. Proctor and Mrs. Lemery of Tahoe City attended the event.

Guy Wesleys Of Tahoe Have Son At Hospital

Guy Wesley are the given names of a 7 pound son born to Mr. and Mrs. Stanley Tomlinson of Lake Forest on May 30. The boy's arrival occurred at Tahoe Forest Hospital.

Has Birthday

Sherilyn, daughter of Mr. and Mrs. William Curran celebrated her birthday date, yesterday, completing the event with gifts and refreshments.

Sewer At Gateway By 1957 Possible Under New Plan

Repair On System Planned
As Engineers Chosen
For Project

A good possibility that a sewer system will be installed at Gateway Park by the fall of 1957 loomed today as a result of action by the Truckee Sanitary District in accepting a petition from the residents of that area asking to be annexed to the present district.

The petition was presented by Charles and J. Vind, who had secured signatures of virtually every resident and tax payer of the area. Under the proposed plan, the owners affected would bond themselves for the cost of the improvement.

At the same time the district employed the firm of Ludwig Brothers of Pasadena to make a survey of the district to determine the amount of engineering and construction necessary to bring the entire community into the present system.

Russell Ludwig, who represented his firm at the meeting said it would be possible for approximately \$10,000 to repair the present system so that it would be amply adequate to handle the additional area to be annexed.

Sierra Sun Installs New, Modern Printing Press For Commercial Work

Keeping pace with the fast growing community, the Sierra Sun and Truckee Republican this week completed installation of a new Original Heidelberg commercial printing press.

The new press, the latest design is capable of printing up to 10,000 an hour, thus providing a faster service as well as better printing.

The Sierra Sun is attempting in every way to provide its customers with the best in printing as well as advertising and news coverage.

Administrators Meet To Discuss Hospital Plans

In a move to better acquaint the legislators with the problems of district hospitals, a small dinner meeting of administrators was held at Donner Lake Lodge Monday with State Senator Harold T. Johnson as honored guest. The affair was arranged by J. J. McGlade, administrators was held at Donner Lake Lodge Monday with State Senator Harold T. Johnson as honored guest. The affair was arranged by J. J. McGlade, administrator of the Tahoe Forest Hospital.

Similar Gatherings were held throughout the state.

Daughter Born To Norden Couple At Hospital Here

Mrs. Salvador Rubalcaba has returned to her home at Norden with the couple's daughter, Irene who arrived at Tahoe Forest Hospital on May 29. The child weighed 8 pounds and 6 ounces on arrival.

Dog Bites Boy

Michael, son of Mr. and Mrs. George Kenyon was bitten on the arm Monday when he attempted to separate his dog and another that were fighting on the street, according to the boy's mother. Michael was given treatment for the wounds.

On Vacation—Walker Apperson of Sacramento has been replacing Lyle Hubbard at the Ransome Oil Company while the latter was on vacation.

From Chico—Mr. and Mrs. Charles Osburn drove to Chico Sunday to accompany their daughter, who has been attending college there, to Truckee.

Senator Here—State Senator Harold T. Johnson of Roseville was here Monday to attend the meeting of hospital administrators at Donner Lake Lodge.

On Flying Trip—Assemblyman Francis Lindsay of Loomis, making a flying trip of his district in advance of the primary election, stopped in Truckee briefly Saturday.

Man Killed, Four Hurt In Crashes In Truckee Area

Local Dishwasher Is Killed
As Friend Hurt On
Tahoe Road

One man was killed, a second critically injured and four others hurt seriously enough to require hospitalization as a result of automobile accidents in this vicinity during the weekend.

Dead is Craig Albert Perry, 40, Visalia, who had been employed for the past month at the California Cafe here as a dishwasher. He was fatally injured when a car believed to have been driven by James Darwin Chappel, 47, of Dallas, Oregon, also employed at the local restaurant, went out of control on a curve near Deer Park Lodge Sunday night at 8:15 and crashed into the Truckee river.

Chappel is in critical condition at the Tahoe Forest Hospital. Perry's body was taken to the Truckee Colonial Mortuary and later shipped to Visalia where his mother, Maggie E. Perry, resides. He was a native of Missouri.

State Patrolman Bud Meixner said the car was apparently traveling at a high rate of speed when it skidded over the bank into the river bed. It was north bound at the time.

Four To Hospital

Four passengers in three cars involved in a collision at Big Bend at 6:10 Saturday night were taken to the hospital with major injuries.

Joe Del Porto, Sacramento, was cited by Patrolman Carroll Maynard after his car crossed the center line and crashed head-on into one driven by David A. Barnard of Oakland which in turn was hurled across the road striking one operated by C. J. Betterman of North Sacramento.

Taken to the hospital by Truckee Ambulance were Freda Zazzetti, a passenger in the Del Porto vehicle and Marshall Babcock and Marian Babcock and Ann Barnard, all passengers in the Barnard car.

Car Hits Deer

Patrick Sanford of Reno escaped injury but his car was damaged when he struck a deer on the highway a mile east of Rainbow Saturday night. The car went out of control and ran off the highway.

Hit Run Charge

Robert McKnight, employed at Hotel Truckee signed a complaint against M. D. Hancock, after the latter allegedly struck McKnight's car and sped on near Mystic Monday morning at 7:45.

McKnight told officers that he tried several times to pass Hancock on the highway and then he finally succeeded, Hancock overtook him and in passing clipped the fenders on McKnight's car. The plaintiff said he overtook the accused offender and placed him under citizen's arrest.

The case will be heard before Judge F. W. Wilson.

MEET OF TRUCKEE SPORTSMEN DELAYED

The regular meeting of the Truckee Outdoor Sportsmen scheduled for Friday evening has been postponed until next Friday, June 15th at Capitol Hall at 7:30 P.M. because of the high school graduation exercises also set for tomorrow night.

Vice President Charles Osburn said the principal item on the agenda at the meeting will be the election of officers. Jack Waggoner, the president, is the only candidate named for that position, but Osburn said nominations will remain open until the election. There are ten candidates to fill the five vacancies on the board of directors.

Other important matters are slated for the session on the 15th and all members are asked to attend to decide issues.

MRS. WILSON NOW IS INSURANCE AGENT

Mrs. Foston Wilson successfully passed a test on May 24 in Sacramento for life and disability agent license. The local woman is now qualified to sell for companion companies for this area, located at Reno.

Mrs. Wilson will be authorized to sell health, accident, hospitalization and life insurances.

Girl Scouts Awarded Badges At Local Meet

Donner Troop Girl Scouts were awarded year pins and badges on Tuesday to the following members; Judy Giovannoni, athlete and personal health badges; Donna McReynolds, animal raiser badge; Doriette Rose, cook badge.

First year pins were awarded to Pamela Rose, Patsy Jensen; second year pins were given to Dorette Rose and Linda Giovannoni.

Softball was played by the troop when it met the previous Tuesday in the high school.

Bay Banker Here

Mr. and Mrs. Robert Saunders now living in the bay district were visitors here Tuesday.

NEW SEARCH LAW POSES PROBLEM FOR STATE PATROL

(By Henry C. MacArthur)
SACRAMENTO —(CNS)— Recent decisions of the state supreme court on the matter of search and seizure not only have local law enforcement officers wondering just how far they can go, but also, the California Highway Patrol, it was learned here.

Bernard R. Caldwell, highway patrol commissioner, has checked with the attorney general's office, informally, at least, according to officials in the highway patrol office, to determine some of the technical legalities governing the halting of automobiles.

Patrol officers said they are fairly certain the motor vehicle code gives them authority to stop any motorist, and request to see his driver's license, particularly when they have reasonable grounds to believe there is something wrong with either the automobile or the driver. The car might be a stolen vehicle, or the driver might be drunk.

The vehicle code requires all drivers to carry licenses, and to display the same on the request of a highway patrol officer, or any other officer enforcing the motor vehicle code.

However, the search of the automobile following halting of the car

and examination of the license, is another question, and officers admit that in the light of the supreme court decisions they are on somewhat thin grounds in going through a car.

The discussion over the matter arose over the indication in some parts of the state that road-blocks were to be thrown up this week to search out intoxicated individuals over the Memorial Day Holiday.

The patrol has issued no statewide orders for such road-blocks, officers said, but has instructed captains in various sections of the state to examine cars if they believe it to be necessary.

However, local authorities plan road-blocks in some communities in an effort to cut down drunk driving, and the question arose as to whether such road blocks are legal.

Unquestionably, the wisest thing for a citizen to do when flagged down by an officer, is to stop, for the officer has the gun, and serious consequences could result in the event a motorist should decide to assert his rights under the supreme court decision, if he has any, and proceed upon his way.

For until all angles of the question are tested in court, the law will undoubtedly assume it has the right to flag down a motorist, and at least examine his driver's license.

Meanwhile, Highway Patrol officials said they are not contemplating any action, nor ever have, for that matter, which would impugn the rights of a citizen. Their job, they say, is to enforce the provisions of the vehicle code, and this they intend to do until someone defines the limits of their authority.

The patrol feels that two types of road-blocks are legal, first the block thrown up to apprehend a known felon, and second, the examination of driver's licenses. The legality question is cast upon the police road-block instigated to check a locality for hoodlums, vagrants and others, thus subjected citizens to a shake-down search where no reasonable suspicion can exist.

Music Circus Will Open For Summer On June 18

Theatregoers throughout Northern California are preparing to welcome in another lively musical summer when the Sacramento Music Circus opens its sixth consecutive season June 18th on the corner of 15th and H Streets.

The series will bring to the capital city stars whose names are well known on Broadway and in Hollywood and nine popular musicals opening with Kismet. The other shows will be Music In The Air, Oklahoma!, The Merry Widow, Rosalie, Girl Crazy, Plain and Fancy, Panama Hattie and The King And I. Each production is to be presented for one week opening on Mondays with the exception of the final presentation which will play for two weeks.

Tickets for the Music Circus are available at the Dunham Agency at Tahoe Vista.

and examination of the license, is another question, and officers admit that in the light of the supreme court decisions they are on somewhat thin grounds in going through a car.

The legality question is cast upon the police road-block instigated to check a locality for hoodlums, vagrants and others, thus subjected citizens to a shake-down search where no reasonable suspicion can exist.

Advertising on Increase
More than \$8.5 million was spent for advertising in 1955, the year showing an approximate 12 per cent gain in advertising volume over 1954, reports the 1956 Yearbook of The American Peoples Encyclopedia. Newspaper advertising increased 19 per cent; outdoor media, 4 per cent; and business publications, 3 per cent. Network radio did not share in the advertising increase, its dollar advertising volume for the year showing a 17 per cent decrease. TV was up 34 per cent.

NOTICE TO INTERESTED TAXPAYERS

The preliminary budget for the Truckee Fire District for the period July 1, 1956 to June 30, 1957 has been adopted by the fire commissioners of the Truckee Fire District, said budget being:

Maintenance and operation, \$5,327.00.
Capital outlay \$3000.00
Total, \$8,327.00.

Said budget is available at the office of W. Rex Thomas, at Thomas Jewelry Store, Truckee, Nevada County, California, for inspection of interested Taxpayers.

The fire commissioners of the Truckee Fire District will meet at the office of W. Rex Thomas, Truckee, Nevada County, California, at 10:00 A.M. June 18, 1956 for the purpose of fixing the final budget for the District.

At that time and place any interested taxpayers may appear and be heard in regard to the increase, decrease or omission of any item of the budget or for the inclusion of additional items.

Dated May 14th, 1956.
W. Rex Thomas, Secretary
Truckee Fire District—
Fire Commissioners

THE BEST OF RIDES—FOR FOLKS OR FREIGHT

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon
Summer Weather

June is here again at last, bringing real summer weather, and activity all around the lake. Over in the vicinity of Cave Rock on the eastern shore highway the mile of new four-lane road with Cave Rock in the center is now progressing toward completion. Perhaps it would be more proper to say "the remains of Cave Rock" is in the center of the new four-lane highway, as it seems to have been about half blasted away so far, and in sight of our east-view windows where the cave used to show so clearly in the rock, there now seems to be a very changed piece of shoreline scenery. We hope the convenience to the public of the improved highway may make up for the change of scenery. Around the slide-filled

highway around Emerald Bay the rocks are still rolling, little by little, from the steep mountain sides. Signs of "Road Closed" have been posted permanently on either side of the slide area, and highway crews hold out little hope that the old lake-circle road in this area can be restored for normal travel before the fall season.

Building

In Tahoe City this week building construction is progressing swiftly. The lakeshore cottage court at the south edge of town is nearing a half completed state, and may be in shape for business early in July. The building project on the former Watson estate at the north end of town is well under way, and the two-story group-building of twenty housekeeping units is shaping up fast. This business has been named the Kimes Tahoe Motel Inc. and the owner says he expects it to be in full operation by the fore part of August. On Monday utility crews were busy making various connections for water and sanitary con-

veniences to all parts of the constructions, and fire hydrants were being installed about the property.

Rotary Meets

The Rotary Club's last regular dinner-meeting was held at the Tahoe Inn at 8 o'clock on the evening of Tuesday, May 29th. President Steve Korich presided over a gathering of 25 members and visitors. Following the dinner it was announced that word had been received from the Sacramento Rotary Club saying that 30 of that club's members would attend the Tahoe City club's next meeting here on Tuesday evening, June 5th. On that date the Sacramento visitors plan to have luncheon at the Rotary Hall in Carson City, and be in Tahoe City by 7 p.m. They intend to stay over Tuesday night at the Home-wood Hotel here, and leave for the city on Wednesday afternoon.

Women's Club

The Women's Club of Tahoe is holding their next regular meeting and their annual Spring Luncheon jointly this Thursday, June 7th, in

Governor Regrets Issue Over Judge Selection

SACRAMENTO —(CNS)— Governor Goodwin J. Knight said at his press conference that he "deeply regrets" the unfortunate occurrences which resulted in the withdrawal of Bradford Bosley from the municipal judgeship to which he was appointed by the governor.

Following the appointment, it developed that District Attorney Tom Lynch of San Francisco had dropped Bosley from his staff after he was accused of going to Reno, Nev., to ask whether an abortion hospital would be permitted to open there.

Bosley claims he was innocent of any wrong doing, but withdrew from the judgeship in order to avoid embarrassment for Governor Knight.

Knight said that all facts in his own investigation of Bosley, and of the state bar association, which passes on his judicial appointees, indicated Bosley would "be a fine appointee."

The governor said no voice had been raised against him until last Saturday when District Attorney Tom Lynch of San Francisco con-

Lake Tahoe Arrivals

Mr. and Mrs. Bob Campbell are at Tahoma for the season. Mr. and Mrs. Malin Petz, owners of Sun 'n Sand at Kings Beach are back from Westley, California.

Stella Watson has come up from Newcastle to stay at Tahoe City until late in the fall.

Open House

Mr. and Mrs. O. I. Lockwood of Santa Monica opened their home at Lake Forest this week, preparing for other members of the family who will arrive following the close of school.

firmed the fact that he had released Bosley from his service.

Knight said "it's possible Mr. Lynch doesn't read the papers, but if he did, he neglected his duty to the people of San Francisco" in not making the incident available to the bar association or the governor before the appointment was made. Lynch, the governor said, actively supported another candidate for the post.

Meanwhile, the governor has dropped investigation of the accusations, which he said is unnecessary now that Bosley has withdrawn.

be sent for further judging.
FOURTH, FIFTH, AND SIXTH GRADES: A pleasant surprise was in store for the children as they walked out of the building during a fire drill. The fire truck from the Forestry Department was waiting for them on the playground. Mr. Vincent, patrolman for this fire district, showed the children the truck which he called "The Green Hornet". After describing and demonstrating the truck and its duties, Mr. Vincent unreeled some of the hose and let the sixth graders work the nozzle.

As part of their study on the forest and the dangers of fire, the members of the class under the direction of Mr. Vincent, planted 100 trees in an area that needed planting. The job was done in a little over a half an hour.

TAHOE LAKE
KINDERGARTEN AND FIRST GRADE: Tahoe Lake first graders had a discussion this week on how many different things we could do or be to be of service to other people.

Kindergartners are completing their Reading Readiness books all set to begin first grade.

SECOND, THIRD AND FOURTH GRADES: Mrs. Farr's second, third and fourth graders spent a busy week studying language arts and the arithmetic skills. Speed tests in adding and subtracting were held in the fourth grade with Sheryn Abrahamian leading and Karen Henry following close second. Karen Henry lead the fourth grade in

accuracy. Spelling finals in the second grade were topped by Jeff McLane, Kathy Wilson, and Cathy Connors. Julianne Bechdolt's lead for the year was cut by illness.

FOURTH, FIFTH AND SIXTH GRADES: We have been having supplementary drill on column addition every morning, with a six to ten minute test to improve our skills on these two fundamentals.

The communication reports are being completed. Bruce Scott gave his report about the phonograph. Mike Marvin and Danny Connors started to read their report on Friday. It is about the evolution of the alphabet. They have done some very fine research and are giving the class a good lecture on their subject. They are including illustrations of the development of various letters used in our alphabet. Many of the other reports appear to be very interesting and we are inviting the parents to attend the reading and display of them.

TRUCKEE ELEMENTARY
KINDERGARTEN: We have been working for neatness in our seatwork. Those who have handed in their work done well are Karin Meixner, Barry Waters, Bobby Goldsmith, Beverly King, Jack Novak, Linda Russell, Bill Cardinal and Susan Schuler.

We sang "Happy Birthday" for Karin Meixner and Wilbur Glenn on Friday, June 1st.

FIRST GRADE: All reading groups finished their basic readers this week and are reading supplementary books. Those doing in-

dividual reading in books and reading them to the class are: Kathy Braasch, Timmy McLane, Susie Olano, Lennie Vind, and Karen Hedlund.

SECOND GRADE: In reading each child has chosen a story to read to the class. Those who have read theirs already are Diane Panke, Rickey Ralphs, Claudia Ayala, Debbie Ellis, Anne Morey, Fosten Wilson, Dennis Stevens, Randy Russell and John Sturcke.

THIRD GRADE: The third grade welcomes Nancy and Thomas Barth from Lucas, Kansas.

Final tests in all the basic subjects were taken this week. Library and text books were collected and checked back to the library. It gave all the pupils an idea of the work that is required to handle the years supply of books for one grade.

We are looking forward to the closing of school and a much needed summer vacation.

FOURTH GRADE: Interesting pictures with original titles, based upon stories they have been reading, were made by Barbara Steele, Sue Holleman and Maria Marin this week.

Ken Stumbaugh and Steve Besio have been checking syllabication of reading words in their group.

FIFTH GRADE: In reading, the "Days and Deeds" group has been having sentences with blanks, and they had to find a word to fit in the sentences. The "American Adventure" group have been copying full sentences to answer questions the teacher puts on the board.

The "Just Imagine" readers are working on confusing words. The "Singing Wheels" pupils have been taking words out of the story and finding things they describe in the story.

SIXTH GRADE: The class is completing its reading workbooks which accompany the text book, as well as the final stories in their books.

In a recent vocabulary paper the following people did well: Dana Hamilton, Barry Leamon, Terry Walker, Kathleen York, Charles Glenn, Lila Frates, Terry Ellis, Mike Armstrong and Stephanie

NEW CONTRACT IS SIGNED BY PLUMBERS

TAHOE CITY—A new 13-month contract between plumbing contractors in this area and members of Plumbers Local No. 350 of Reno went into effect June 1st, ending a partial work stoppage in Zone 2 which began May 22.

The affected zone includes the Lake Tahoe basin, Truckee and the Truckee River Canyon and the summit sections of U.S. highways 40 and 50.

Announcement of the settlement

Cozzi.

The class will have its graduation ceremonies tonight at Smart's with dinner, dancing and a theater party at the Donner Theater.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

June 1, 1956

To Whom It May Concern:
Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Between Bear & Deer Sts. State Highway, Kings Beach, Placer County

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance on original application of an alcoholic beverage license for these premises as follows:

ON-SALE BEER

Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

Cheaper Wages

Cheaper Materials HIGHER Water Rates

A comparison of the water rates in Truckee back in the Good Old Days of 1909 when labor was getting \$2.00 per day and pipe and other water materials were over 400 percent cheaper than today shows that the present day water rates are cheaper.

	cost in	1909	1956	Saving
6,000 gals per month....	\$	3.87	\$ 3.00	\$.87
10,000 gals per month....		5.87	4.00	1.87
25,000 gals per month....		12.10	7.00	5.10
50,000 gals per month....		20.32	11.00	9.32

Dollar for Dollar the cheapest necessity a family pays for today is water.

An assured supply of pure water and good service is essential to the growth and development of a community and your District is constantly striving to meet and anticipate this demand. This can best be done by rates that will enable your district to maintain the system in an efficient and business-like manner.

Approximately ten percent of the people gainfully employed in California are directly engaged in agriculture.

STRICTLY
STRICKLAND
By Bill Strickland
The big speculation on the mountain this week has resulted from the erection of two signs on Highway 40 on the Nicholls Estate property, to wit: OPPORTUNITIES, COMMERCIAL & VACATIONAL.
It has been our privilege to see the engineering plans preliminary to the final ones decided upon, and we must admit they are eye-openers. Listen! An El Rancho type motel with cottages in the big meadow. A complete lodge facility to complement the motel units. It will house a dining room and kitchen, lounge & cocktail lounge, which opens on a large terrace patio with a swimming pool and the possibility of an ice rink in the winter time. Tennis courts, a nine-hole golf course; a large area for summer homes development. A restraining dam to develop a stream pool with a sandy beach and recreation area. Wait a minute, there's still more. A central building for a store with shops in conjunction, a service station and a large natural mountain trailer park.
Don't quit reading yet, because, on the opposite side of the highway will be facilities for winter sports. An excellent ski hill with lifts—a central building to house a coffee shop, ski shop, ski rental and repair school headquarters, and servicing all this a 300 foot by 700 foot all year surfaced parking area. We can remember back when the Sugar Bowl development was being considered, and the mixed reactions of the business people who were already established as to what it would do to their businesses. Time has proven that it has had a terrific impetus toward helping development of the mountain; so it is easy to imagine the beneficial effect this proposed development will have upon the continued growth and expansion of an area that is taking its rightful place as the outstanding year-around recreational area in the country and none of the truly fine winter sports areas in the world.
Stopped by Herstele Jones' Nyack Lodge the other day and caught them in the middle of big preparations for the Nevada County Teachers dinner being held that evening. Herstele and Dennis had just returned from a three day trip to his

(Herstele's) ranch just out of Winnemucca, Nevada— where he had just accepted a two truckload shipment of beef cattle stock. His ranch, located in Paradise Valley, has quite a history. It's name "Old Mill Ranch" stems from the fact that a large flour mill was built there in 1900, and though it isn't in operation any more, the mill in its entirety is still standing and in excellent condition.
Deck and Pat have just finished repainting their Rancho Sierra Inn, both inside and externally. They plan on a fill all along the back side which will ultimately be planted into a lawn.
Just up the road from the Rancho, "Doc" Widing rocking back and forth very leisurely alongside his "Rocking Chair Trout Farm".
A little farther up the line, Ken and Esther Heimback very busy preparing for an anticipated bumper summer business at Rainbow Tavern. Even though there are two seasons up here— winter and summer (no, not wet and dry) the transition period sometimes is much too short. Ken is running into that short period now, because, believe it or not, there is a lot of snow still on the mountain, and the summer work crews and vacationers are coming on anyway.
Everyone on the mountain was very sorry to hear of Colonel Bill Rutherford's illness that necessitated a trip to the hospital. We still haven't heard how serious it is, but certainly hope it is minor. Bill has been the driving force in all of our American Legion activities up here; so we can't get along without him. We all very sincerely hope for a speedy recovery.
San Francisco is one of the nation's big four" convention cities.

In California losses from weeds and the cost of weed control are about 200 million dollars annually.
United States hens are producing 184 eggs per hen per year, compared to 122 eggs per hen in 1935. net.
High Gas Tax
SACRAMENTO —(CNS)— The state board of equalization today announced that state taxes on gasoline for March totaled \$21,660,368.

SCOUT LEADERS IN AREA ARE HONORED

AUBURN—Arnold Murchee of Roseville, Placer County, and Ray Carlisle of Auburn were awarded silver emblems for service to the Tahoe Council, Boy Scouts of America, at the annual recognition dinner.

Howard G. Lee of Auburn was installed as president of the council, succeeding Alvin S. Carveth, who held the office for the last two years.

In the Declaration of Independence, the name "United States of America" was spelled with a lower case "u".

Quilici Warns Against Purchase Of Fabrics Which Are Not Standard

Comfort and convenience-minded Americans are pleased with the prospect of summer-wear that can be washed and worn immediately after a minimum of ironing. But, laundering experts add a note of caution.

Nat Quilici, owner of Fontana's Laundry, cautions housewives to follow the directions on the hang tag or labels of "minimum care" fabrics. And to be completely safe, Quilici warns, it is a good policy never to use a chlorine bleach on such cottons.

These fabrics usually are pre-treated during manufacturing to give that "wash and wear" quality. Certain types of treatment cause the fabric to retain the chlorine. The fabric cannot be rinsed free of the bleach regardless of the amount of water used. Because the chlorine bleach stays in the fabric, chances are that discoloration and damage will develop when the fabric is heat-dried or pressed.

According to Quilici, sodium perborate or hydrogen peroxide may be safely used as a bleaching agent on any white or fast-colored item, if it is necessary to bleach the garment for stain or soil removal.

As a member of the American Institute of Laundering, national education and research center for the laundry industry, Fontana's Laundry receives up-to-date technical knowledge on washability of various fabrics, such as chlorine retentive cottons. This information enables Fontana's Laundry to do a quality laundering job on quality garments.

Laundry operators should warn their customers against using chlorine bleaches on cotton fabrics or garments marked or sold as: "Wash and Wear", "Minimum Care", "Wrinkle Resistant", "Needs Little or no Ironing".

California's total timber stand in 1955 has been estimated at 360 billion board feet.

The highest point in the Philippine Islands is Mount Apo, on the Island of Mindanao, 9610 feet.

FILMS SHOWN AT MEET OF ROTARY

KINGS BEACH—In the absence of President Bill Randall and Vice-President Pappy Brooks, the regular meeting of the Rotary Club of Brockway was presided over by Secretary E. J. Stokes. Visiting members from Tahoe City, Catalina-Tucson and Sebastapol responded to the call for the introduction of visitors.

The speaker for the evening was unable to be present so Max Springer gave an impromptu talk on the druggist profession and Pete Bennett made a few remarks. In the meantime Tom Sutton obtained from his home a film of his trip to Mexico which was very interesting.

The members voted to attend an inter-city meeting at the South Tahoe club on June 13th.

Chairman Hank Dodd announced that he would have a speaker of note on the program for the meeting of June 11th.

WOMEN'S CLUB AT TAHOE HOLDS SHOW

TAHOE CITY—The last meeting of the Women's Club of Tahoe was held at Bacchi's Inn with the election of officers being the principal item of business.

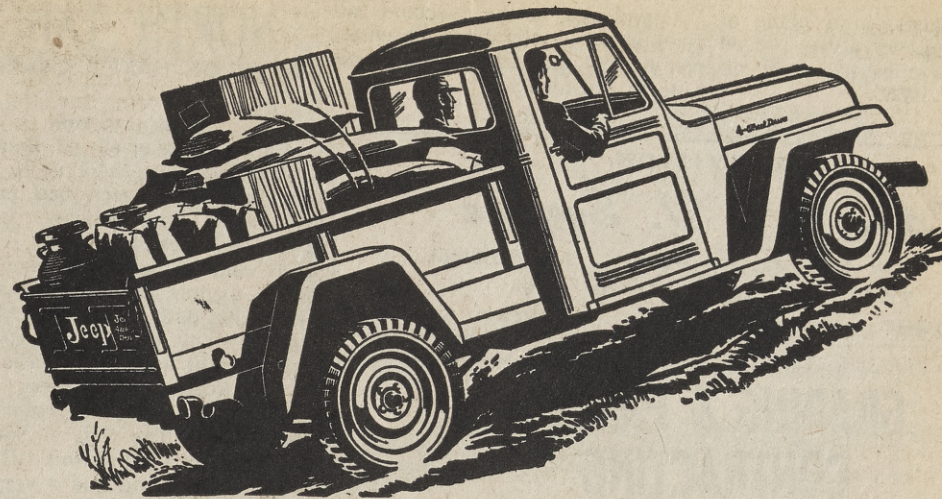

Aubrey Brehler was named president; Martha Snyder, vice president; Bernice Giannini, treasurer; Carol Marvin, corresponding secretary and Patricia Fox, recording secretary.

The traditional fashion show will be held at Crystal Bay Club today with Mrs. Donald Snyder as program chairman. The models are Mesdames Robert Pomin, Donald Snyder, Milton Schontz, James Martin, Ernest LePire, Edward Scott, Raymond Fellows, Robert Beckman and Oliver Corona. Items from Porter's Apparel Shop and the Sierra Knit Shop will be displayed.

Gates Open
TAHOE CITY—With 15 gates open, the level of Lake Tahoe Monday was 6228.56. Temperatures at Tahoe City have ranged from a cool 31 to 67 during the past week and no precipitation was recorded, although there has been occasional cloudiness.

Massachusetts, Pennsylvania and Virginia are Commonwealths instead of states.

Point Barrow, latitude 75°25' N., is the northernmost point in the United States.

Today's only 4-wheel drive truck...

designed and engineered completely for 4-wheel drive off-the-road use!

Your purchase of a 4-wheel drive truck involves an important investment. That's why you should get all the facts before you buy.

When you get the facts, only one 4-wheel drive truck stands out—the rugged 'Jeep' Truck. And it's no wonder why! It's the only 4-wheel drive truck in its weight class originally designed and engineered completely for 4-wheel drive, off-the-road use—the only one time-tested and performance-proved in millions of miles of transport service. Yet, it shifts easily into conventional 2-wheel drive for highway travel at top legal speeds. It's not a conversion unit, not a modified 2-wheel

drive truck! It's tested, proven, certified and unique in its weight class. No other 4-wheel drive truck even touches its performance-proved all-around utility.

Add to all this the 'Jeep' Truck's functional design, long life, low maintenance cost and high re-sale value and you see why it's your one best 4-wheel drive truck buy!

KINGS BEACH, CALIFORNIA

NORTH TAHOE

By JUDGE HARRY CHARRISON

Improvements

Carl Christiansen of Beachside Cottage opposite the Truckee short-cut in Kings Beach had made a wonderful improvement in the front of his establishment. A beautiful cement patio has been built where people can sit and take in the sights both of the lake and the highway and the usual display of flowers will adorn the patio.

Ready for Business

One after the other resorts are opening up. The Sun 'n Sands is all ready for a big season. Gil's Barbecue is open and had a very nice lunch with Mr. and Mrs. Gil Johnson. And also Peggy Rhodes has opened the Village Corner, right opposite the post office. The Tahoe Theatre has opened up for the season. Mrs. Shattuck is in the box office.

The Lewises

Joby and Helen Lewis were in Los Angeles to attend the funeral service of Helen's brother-in-law. We were very sorry to hear of this, as he was quite young. In a bright vein Joby's brother, Eddie, who was with him at the old Cal-Vada Lodge is back. It sure is nice to see Eddie. His father is also here and feeling a lot better after his recent illness.

Passing

It was with deep sorrow that we heard of the passing of our good friend, Grant Lowry in the Veterans hospital in Reno. Grant had been sick on and off for the past few weeks, but his passing was not expected so suddenly. He was a world war veteran, and was a member of the Lake Tahoe Lions Club, and was quite active in community affairs. He was owner of the L trailer court on Fox Street. He had a son, Grant Jr., and Machael, and his wife. The funeral service was in San Bruno.

Golf

At last the golf course is officially open (the Brockway course) that is, and yet it is still full of dandelions, but it doesn't stop the players a bit. The wife and I are keeping our eyes open so that when Bucky Harris, Slim Laborde and Tony Galarani come booming up the courses, we can put our shutters up. We take no chances with these birds.

Voting

One of the biggest privileges that the American citizen has is to vote. Take that privilege away from them they would shout to the high heavens, and yet at the primary election, well; we are not interested. We just can't be bothered to go to the polls—too busy etc. The primary to some is just as important as the general and if everyone voted it would eliminate a lot of candidates and thereby save them a big expense of running again.

New arrivals

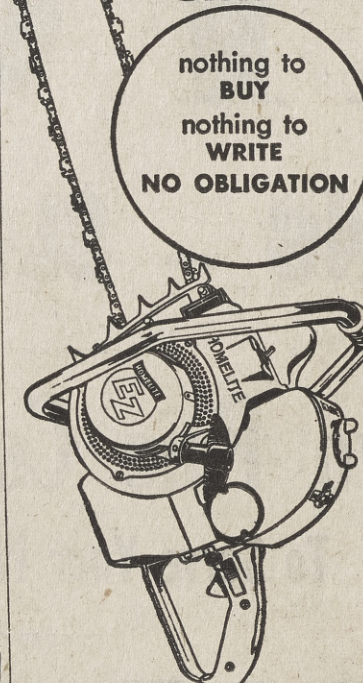

Just arrived from Pasadena are the Pattons, Darlene and Larry. I understand Larry is to be bartender.

at the Tahoe Inn in Tahoe City, and Darlene is already with Joby Lewis. They tell me they intend to stay in the year around.

Concession

I see the Culbertsons that run the Hudson store in Kings Beach also have a concession at Cal-Neva Lodge and have a cute novelty department there. Also on the highway in Kings Beach.

Cal-Neva Open

Now Cal-Neva Lodge has opened up with new management except for Wingy Grober who was there last year. I have met all of the newcomers and a nicer bunch it would be hard to find. No changes have been made in the building itself, but many changes have been inside as you will see in the add in this issue. Go up and become acquainted.

Light Opera

Musical Circus Junket, of the Sacramento Light Opera Association is about to start, and the one to contact is none other than Alice Dunham, of the Dunham Agency, Box 74, Tahoe Vista, Liberty 6-2297. Alice will be glad to inform you of everything that will be going on this summer. There is a big ad in this issue.

Visitors

Mrs. Carrie Mercer had a delightful surprise when her son Bob and his wife were here for a nice visit, and naturally brought their sweet little daughter. They are presently living in San Francisco.

Home for the Summer

Alice Sorensen tells me that daughter, Loma, is already home for the whole summer and will, as in some past years, be at Loynd's Drug Store in Kings Beach. We shall miss Joelyn who was her working partner for the past couple of years.

Tahawanda

Mrs. Adams, operator of the Tahawanda girls camp at Kings Beach, which will open on June 15th, says considerable damage was done by the snow during the winter, but it is hoped it will be okay for the opening.

SPECIAL DATES

Mrs. William Englehart, Jr. was a birthday celebrant on May 5. James Harris and daughter Ireda shared the same birthday anniversary on the 19th of May.

Mrs. Charles Heller observed her birth date, May 22.

Mr. and Mrs. Lorin Ferdinand's

wedding date occurred on May 21. During the first week in June, on the third, Errol, son of Mr. and Mrs. Art Kehm was the incentive for a party on his birth date.

Herbert Copeland observed his natal date on June 5th with members of his family.

UNDER A FICTITIOUS NAME. CERTIFICATE OF PARTNERSHIP TRANSACTIONING BUSINESS

The undersigned, DAVID C. ROSE, Z. D. ROSE and HARVEY L. HOCKER, hereby certify that the undersigned are transacting a general retail grocery, meat and produce market and variety store at Gateway, about one mile west of the Town of Truckee, in the County of Nevada, State of California, and are about to trans-

act a similar business at 100 Alliance Road, in the City of Arcata, County of Humboldt, State of California, under the firm name and style of "Z Markets"; that the names in full of all the members of such partnership are David C. Rose, Z. D. Rose and Harvey L. Hocker; and that the place of residence of each of said partners is as follows:

David C. Rose, residing at High Street, Truckee, California;
Z. D. Rose, residing at 4145 Mont-

Governor Joins Others In Urging Safe Driving

SACRAMENTO—Governor Goodwin J. Knight announced that he had joined with the governors of the other 47 states, the Territory of Puerto Rico, and the commissioners of the District of Columbia in signing a joint declaration pledging support to the nation's "Slow Down and Live" traffic safety campaign this coming summer. The declaration pledges to employ "every available means to make our streets and highways safe from Memorial Day through Labor Day, 1956."

In a separate action the Department of Defense has sanctioned this same program and as a result it will be observed at army, navy and air force installations throughout the world.

Need for action is emphasized by the fact that 1,071 persons died in California traffic during the first four months of 1956. This toll includes 147 more dead than for the same period last year and indicates that California is headed for its worst year in traffic accident history.

W. A. Huggins, national president of the state safety coordinators group and coordinator of the California program, said that emphasis this year will be on enforcement.

The entire program will point at reducing violations associated with the "in-a-hurry complex." These violations include excessive speed, speed too fast for conditions, improper passing, following too closely, failure to yield the right-of-way.

Tomato paste is the largest single outlet for California's processing tomatoes.

gomery Street, Oakland, California; and Harvey L. Hocker, residing at Gateway Park, near Truckee, Nevada County, California.

That the principal place of business of said partnership is at "Z Markets", Gateway, near Truckee, California.

That such business was commenced on the 1st day of January, 1956. IN WITNESS WHEREOF, said David C. Rose, Z. D. Rose and Harvey L. Hocker have hereunto set their hands and seals, this 30th day of April, 1956.

HARVEY BANKS IS CHOSEN TO HEAD WATER RESOURCES

SACRAMENTO—(CNS)—Appointment of Harvey O. Banks, state engineer and chief of the state division of water resource, as director of the new state department of water resources created by the 1956 special session of the legislature, was announced by Governor Goodwin J. Knight.

At the same time, he announced appointment of Marcel J. Sheldon, La Mesa, as deputy director, at a salary of \$17,000 annually. Banks will receive \$18,000 an \$1,800 increase over the salary of state engineer.

The governor said Banks has an excellent educational background, extensive and diversified experience in hydraulic engineering, and proven ability to work well with the many interests and groups concerned with the complicated water problems of California.

Banks graduated from Syracuse University in 1930 and did graduate work at Stanford, where he was a civil engineering instructor for three years. He has been in private engineering service, as well as public.

Sheldon is general manager and chief engineer of the La Mesa, Lemon Grove and Spring Valley irrigation district, near San Diego.

The governor said in making his selections he chose men who were conversant with the construction

Lag In Sale Of Fishing Licenses Noted In State

SACRAMENTO—(CNS)—The state department of fish and game reported that sale of hunting licenses during the current fiscal year has exceeded that of the preceding year, but that 1956 sale of angling licenses continues to lag behind last year.

Hunting license sales stood at \$1,749,975 an increase of over \$13,000 over the 1954-55 year.

Fishing license sales from the first of the year through April 30 totaled \$891,326, compared with \$1,020,868 for the same period of 1955.

A proposed method of banding stud lumber on flat cars must be modified before it is acceptable for use on all the nation's rail lines, a committee of the Association of American Railroads said in San Francisco.

But, the committee ruled if the suggested changes work out, the group will authorize experimental shipment.

The new system uses high tension steel bands, doing away with the more expensive side stakes.

San Bernardino County's 1955 wine production was 7,343,000 gallons.

end of water development, rather than the legal phases. He had been urged, he said, to appoint a water attorney to head the new department.

From Modesto—

Mrs. Margaret Ashton and Mrs. Isabel Carson, former Truckee residents, were here from Modesto Memorial Day. Mrs. Ella Riggs of Sacramento, a school mate of Mrs. William Englehart, Sr., accompanied them.

From Sacramento—

Mrs. Jennie Watkins was here from Sacramento during the recent holiday. She resided in Truckee for many years.

State Employment Man Will Be Here To Assist Employers With Work

For the week of June 25 to 29, Scot C. Harrington, auditor for the California Department of Employment will be in the Tahoe-Truckee area to assist employers with problems concerning their status under the California registration and reporting requirements of the code.

Generally speaking, each employer with wages in excess of \$100 in a calendar quarter, is subject to the provision of the code. Specifically exempt is domestic service in a private home and agricultural employment. A private home does not include motels and hotels hiring maids are subject as any other business paying \$100 in a calendar quarter.

Any person desiring to contact Harrington can leave messages with Globins, Al Tahoe on Monday, Tuesday and Thursday, telephone Kimball 4-3451. On Wednesday, Harrington will cover the North End of the Lake and can be contacted through Constable Harry Johanson, telephone Tahoe City 350.

Should these dates not be convenient for any employer an appointment can be arranged at any time by contacting: auditor in charge, Department of Employment, 640 Main Street, Placerville, California or telephone Placerville 167.

S. P. OFFICIALS AT RAIL CONFERENCE

G. A. Miller, SP roadmaster at Truckee, will be one of 275 Southern Pacific officers and supervisors meeting June 6-7 in San Francisco at a conference program designed to bring line officers closer to management.

D. J. Russell, the railroad's president and Thursday luncheon speaker, stated that the program is expected to aid development of latent abilities in employee relationships. This is the last of three conferences, all of which were staged in San Francisco.

Also represented are supervisory forces from the Texas & New Orleans Railroad, Northwestern Pacific, Pacific Motor Trucking Co., Pacific Electric and Southern Pacific Pipe Lines, Inc., all SP subsidiaries.

Blairsdens Visitors—

Among the former Truckee residents here on Memorial Day were Mr. and Mrs. Herbert Rowe of Blairsdens.

Business In City—

Mr. and Mrs. John McGlade were San Francisco business visitors last week.

Coming North—

Mr. and Mrs. Harold Langille are expected here this week following several months spent in Mexico.

Son Born—

Mr. and Mrs. Hayden Ralston of Floriston became the parents of a son, born May 3 at Reno, Nevada.

Bob Philips of Sacramento has been employed by the Coca Cola Bottling Company during the summer.

To Tahoe—

Mrs. Eleanore Swanson, well known throughout the district, visited in Truckee Monday enroute to Tahoe City where she will spend several months.

Card of Thanks

The many lovely cards and other expressions of good will given during my recent illness have been gratefully received and I take this means to thank every one who sent such a message.

Rev. Wesley H. Osman

LIBRARY TO REMAIN OPEN AS SCHOOLS CLOSE FOR SUMMER

On Monday, June 11, the classrooms of the Tahoe-Truckee District's five schools will be closed, but the doors of the community Center Library will remain open. They will have closed as a school library and will open as a free public library. The hours will be 9 a.m. to 5 p.m. Monday through Friday. All residents of the communities of the district are welcome to avail themselves of the facilities.

After four years with the library, Mrs. Bonnie Costa is leaving as 1st assistant to the librarian. Recently the Costas moved to Reno and Bonnie has been commuting while her children were completing the school-year.

Mrs. Lynn Kishbaugh, 2nd assistant, one-half time, leaves next week for San Jose State College where Kishbaugh enrolls for graduate study. She will return in September to resume her duties as assistant in charge of circulation. Harry Woodward, a senior student, has been employed for the summer. He will assist Roy Baker, the librarian. He has had library experience which he obtained while working as a student assistant.

Continue To Meet

The Great Books Discussion Group will continue to meet through the summer. This group consists of people of the area who meet twice each month to discuss a specific book or work of literature as assigned at the previous meeting. With the exception of June 13 they will meet the second and fourth Wednesdays of each month in the Community Center Library at 8 P.M. These are open meetings and any interested person is welcome to attend.

Attend Festival

Mr. and Mrs. Wilbur Glenn and three sons, Mr. and Mrs. Lloyd Everett, Mr. and Mrs. Joseph Straub, Linda Giovannoni and Barry Leamon attended the festival held at Quincy last Sunday where picnics, baseball games and folk dancing occupied the day.

Turns In Fines

F. W. Wilson of the Truckee judicial district court turned in to the Nevada County treasury in fines and fees for the month of May the following amounts: General, \$50.00; Salary \$18.25; School assets 773 C. V. C., \$117; Law Library, \$3; Special Road Improvement, \$2,183. Total: \$2371.25.

CHURCH NOTES

Sunday Morning Church Service—This Sunday will be a special recognition for the members of the Sunday School who are graduates of the 6th grade, 8th grade, and senior in high school. This recognition will take place at the morning worship service at 11 a.m.

Also taking place will be the Installation Service for the officers for the Women's Society of Christian Service. All officers are urged to be present for the service.

MYF Combined Meeting—The youth comprising both the high school fellowship and the Intermediate junior high fellowship will meet at 5 p.m. Sunday evening. Refreshments will be served.

Sunday June 17, Service—

While Rev. Osman is attending the Annual Conference of the Methodist Church in Stockton next week, Mr. Ed Grant will occupy the pulpit in his place. Mr. Victor McLain will share the work with Mr. Grant in the service of worship.

Vacation Church School—

The dates for Vacation Church and Bible School are from June 25 to July 6. It will be for children from kindergarten through the 6th grade.
